Library Services and Programs Assessment Plan

Contents

Executive Summary	1
Assessment Plan Details	3
Routine Data Collection and Library Annual Report.....	5
Focus Groups	7
Surveys	10
Electronic Resources Usage, Data, and Reporting	11
Library Services Impact Upon Student Success	12
Collection Assessment	14
Services Provided by Other TCC Departments	15
Conclusion and Recommendations	15
Bibliography	17
Appendix A: Forms	18
Appendix B: Project Documents	18
Appendix C: TCC Student Satisfaction Survey – Library Section With Changes	19

- Executive Summary
- Background Details
- 7 parts: Methods & Data Info
- Conclusion
- Bibliography

Library Services Assessment Plan

- **Library Services Impact Upon Student Success: Method and Data**

- **Recommendations**

- **Implementation**

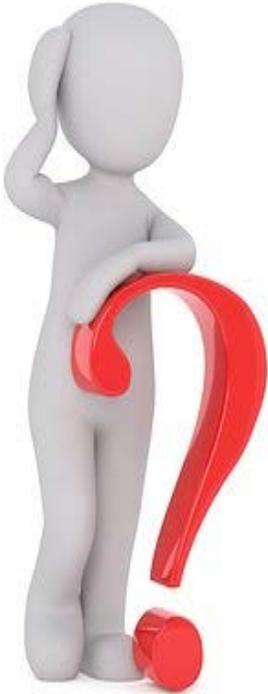

Background: “In the Beginning”

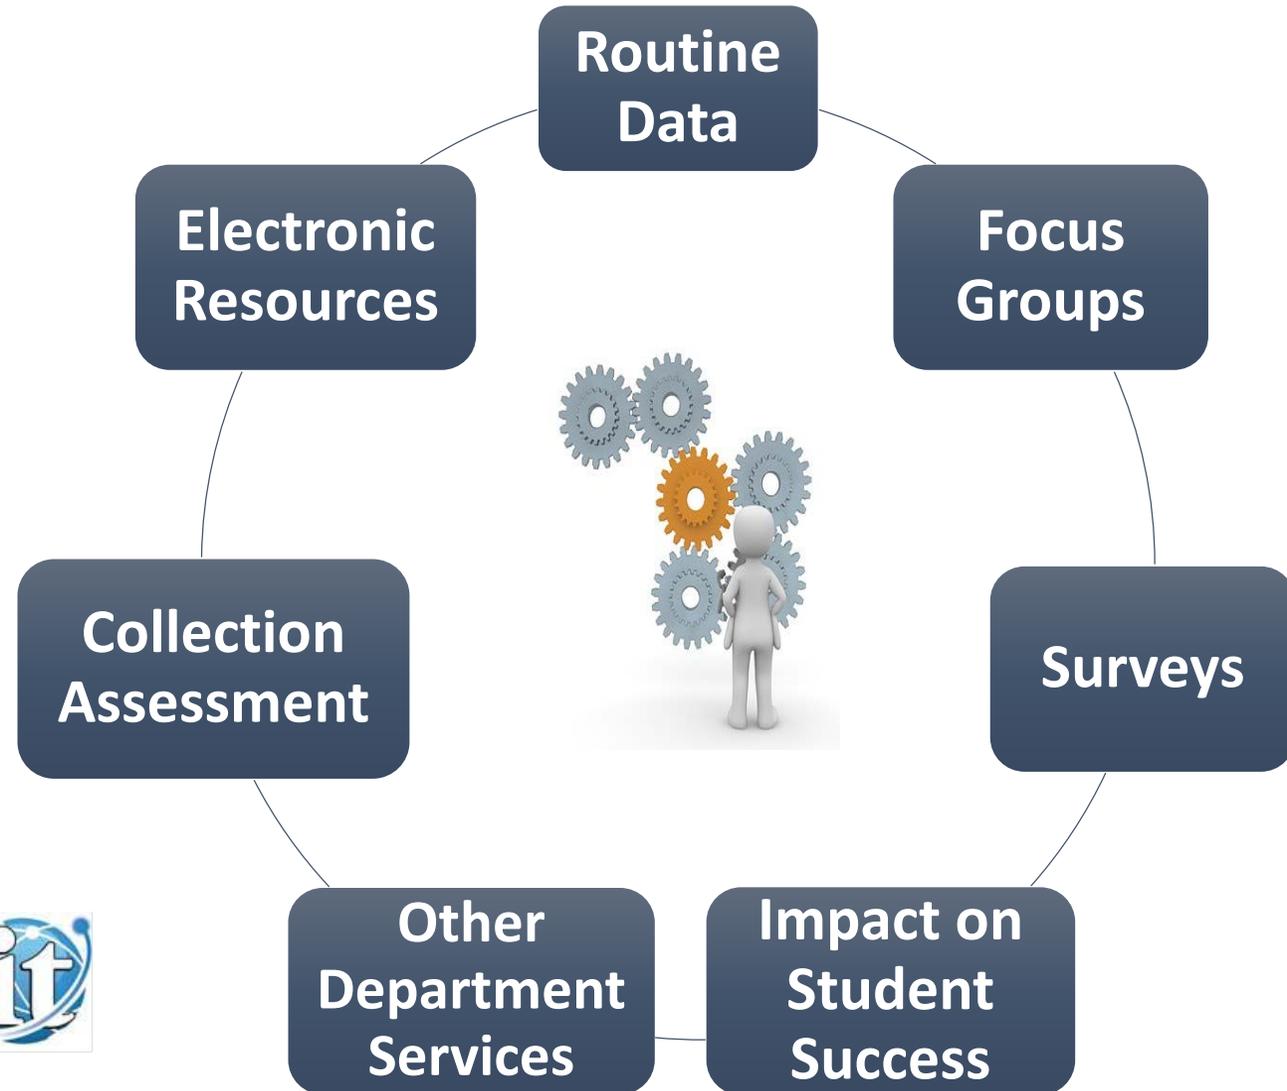

- **No Existing Formal Library Assessment Plan**
- **Assessment? What is Library Assessment?**
- **Reasons to assess library services?**
- **Why Count, Measure, and Report?**

Data: Why We Count, Measure, Report

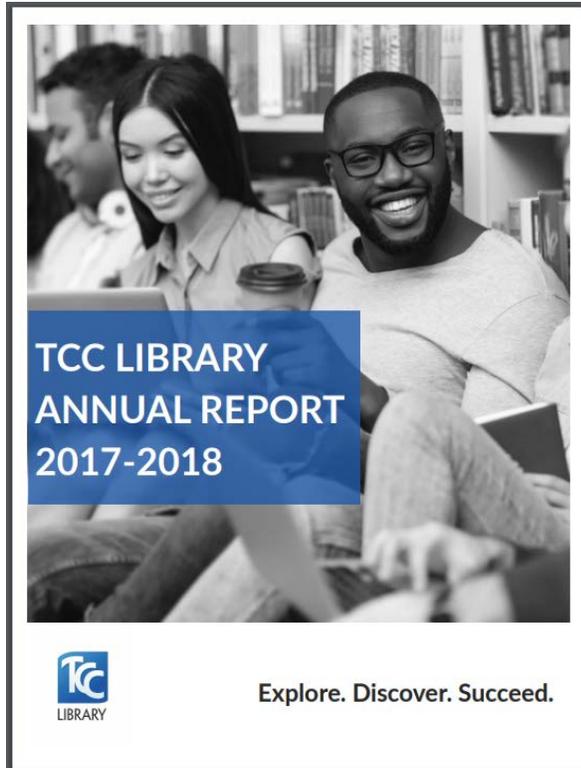

- **A “Data-informed” Organization**
- **Evidence-based Performance, Evaluation**
- **Qualitative versus (or plus) Quantitative**
- **Justify, Improve, Add Library Services**
- **Workload measures: Staffing, Hours, Output**
- **Bragging Rights !**

Assessment Plan Methods, Data

Routine Data / Library Annual Report

- **Library Computer Lab: use by log-ins**
- **Print and online: usage & holdings**
- **College-wide Totals: not by campus**
- **Technical Services: workload output**
- **Provide counters: all library entrances**

Acquire & Use Data: Focus Groups

- Qualitative assessment method: Hard & Soft Data
- Couple with customer service mapping technique
- Limit number of issues, participants
- Explore specific areas of satisfaction/dissatisfaction
- Combine: library surveys with focus groups
- Collect Data: Analyze, Interpret, Report, Decide

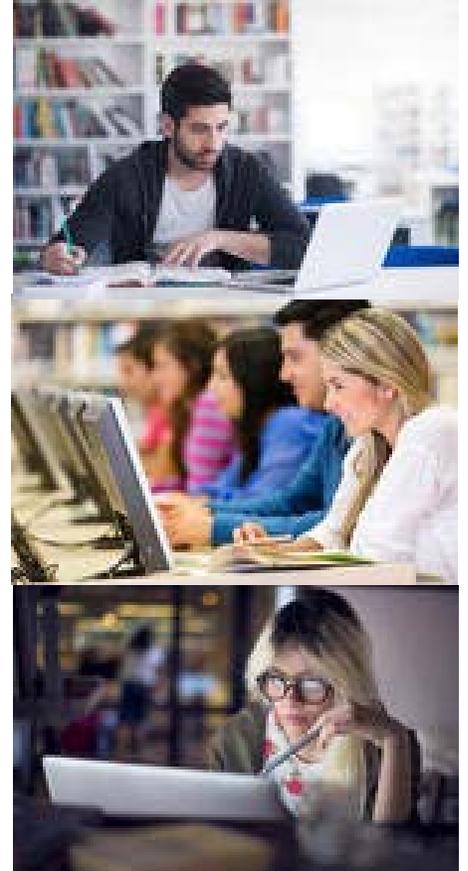

Acquire & Use Data: Surveys

- Qualitative or quantitative methods
- TCC's college-wide surveys
- Conduct: limited library-only surveys
- Create: Internal library survey instrument
- Combine: library surveys with focus groups
- Collect Data: Analyze, Interpret, Report, Decide

Acquire & Use Data: E-Resources Stats

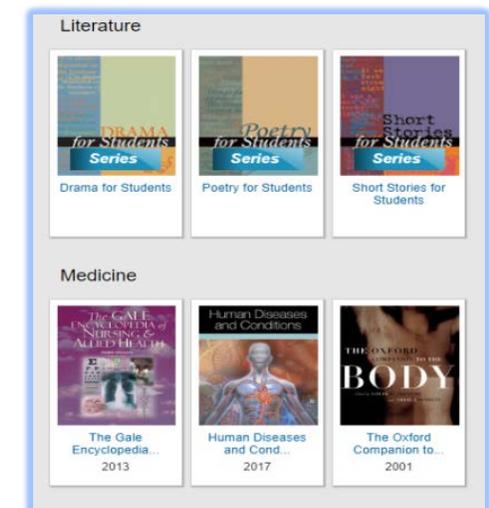

- **Bi-annual Usage Reports revised**
- **Online Articles, E-Books, E-Videos, E-Reference**
- **Usage/Cost Data for analysis, selection, planning**
- **Cost Analysis: Print vs. E-Resources**
- **Usage, Holdings data for IPEDS and ACRL**
- **Access data logs: Statistical impact on student success**

Collection Assessment

- Custom Reports to Evaluate Collections
 - Interlibrary Loan (ILL) requests analysis
 - Missing and Lost items
-
- Electronic Resources versus Print
 - Online Resources for New Academic Programs
 - Open Access Collections and OER

Other Departments' Services within the Library

- Services in the library provided by other departments
- Effect students' use and perception of the library
- Future assessment of such services

The Top Measure: Student Success

- **Academic Achievement: GPA**
- **Persistence: 3 years to completion**
- **Completion = Graduation or Transfer**
- **Degree and Certificate Programs**

So, what impact do library services have upon student success?

Library Services Impact on Student Success

- Historically, assessment of library effect on academic success was impossible to measure and quantify
- How to achieve quantitative evaluation using hard data and make the connection?
- Recent published studies about statistical methods to correlate library use and student success
- Embark on a journey into new assessment territory that few others (and no community colleges) have explored

Library Services Impact on Student Success

- Soria, Fransen, and Nackerund's & other studies demonstrating library impact on student success
- Methods for obtaining our data are in place
- Investigate possible correlation and impact:
 - Multivariate statistical analyses
 - Longitudinal studies
 - Creative improvements to methodology
 - Longer-term predictive studies

Library Services Impact on Student Success

- Approval from TCC's Institutional Review Board (IRB)
- Strengthening TCC Partnerships:
 1. Institutional Research & Assessment (IR&A)
 2. Information Technology Infrastructure Services (ITIS)
 3. Academic Departments & College Leadership
- Statistical methods couple Library users' data with student information, academic data, other services
- Balanced mix of quantitative and qualitative

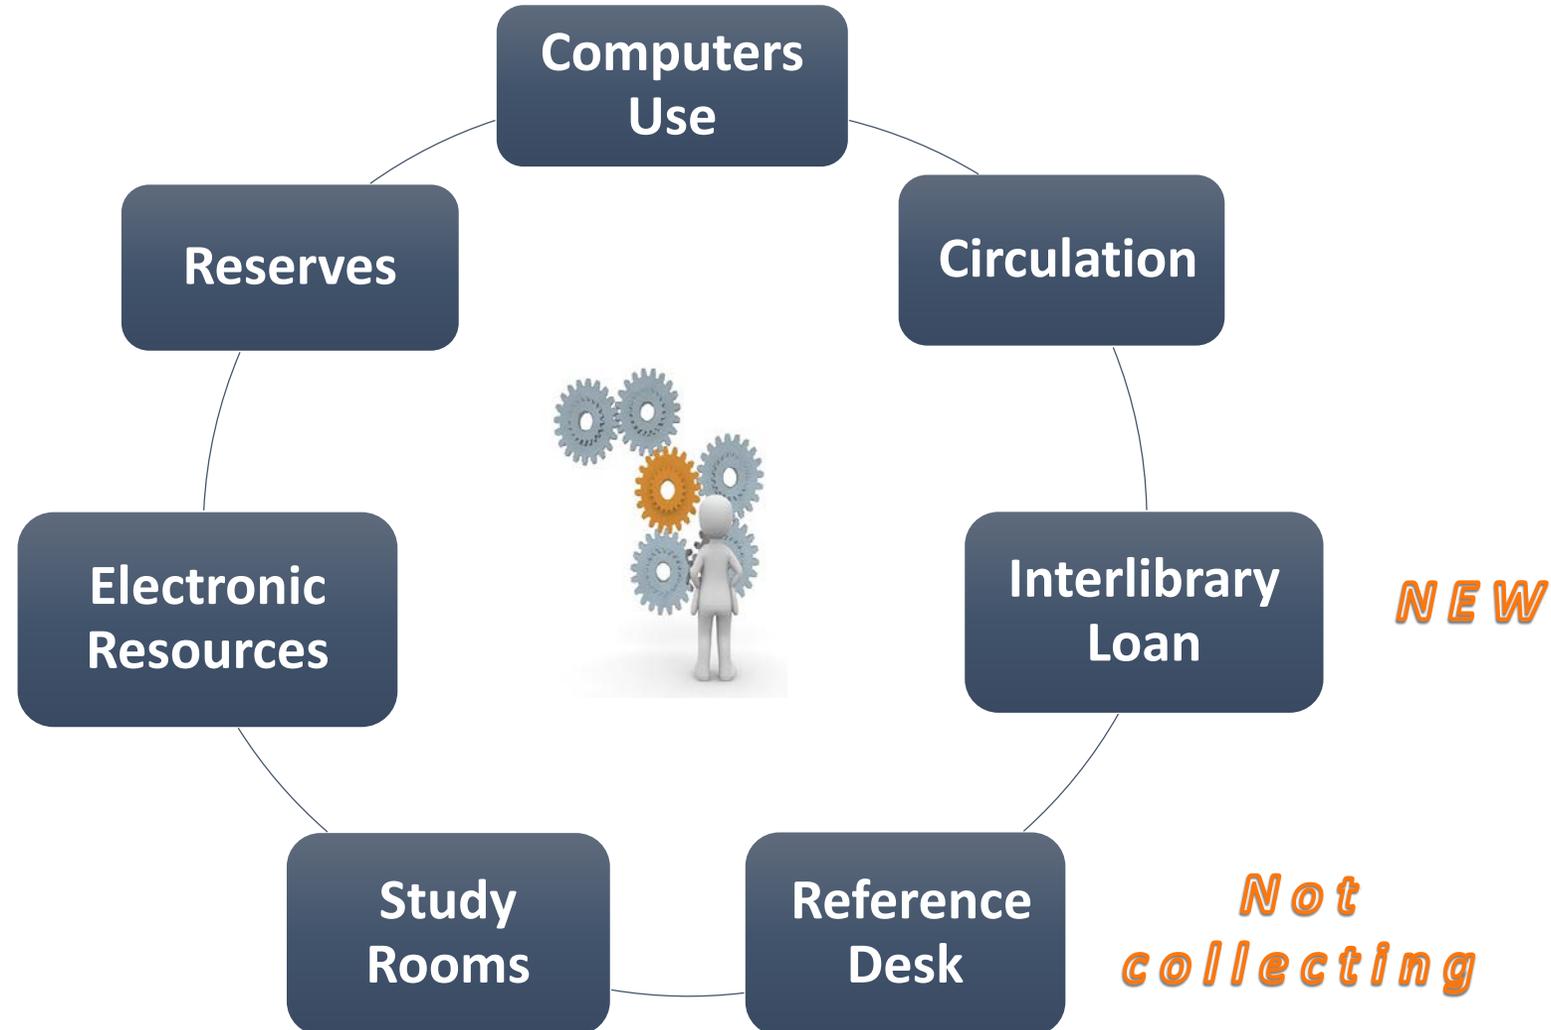

Data: Impact on Student Success

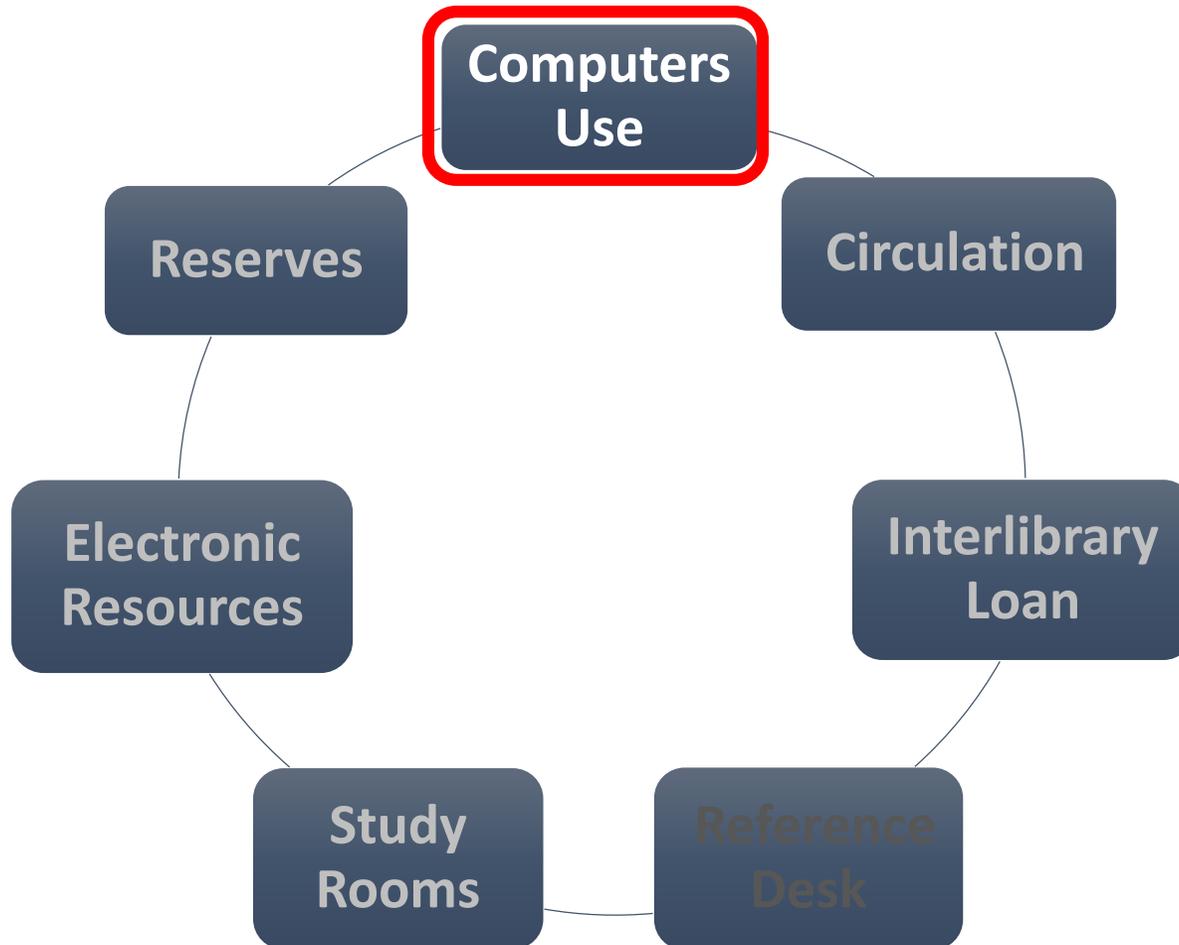

- **Points of Service (POS): Contact via systems or staff**
- **Library academic services that impact student success**
- **Data Points defined for library services**
- **Systems Enhancements and Planning**

Data: Services for Student Success

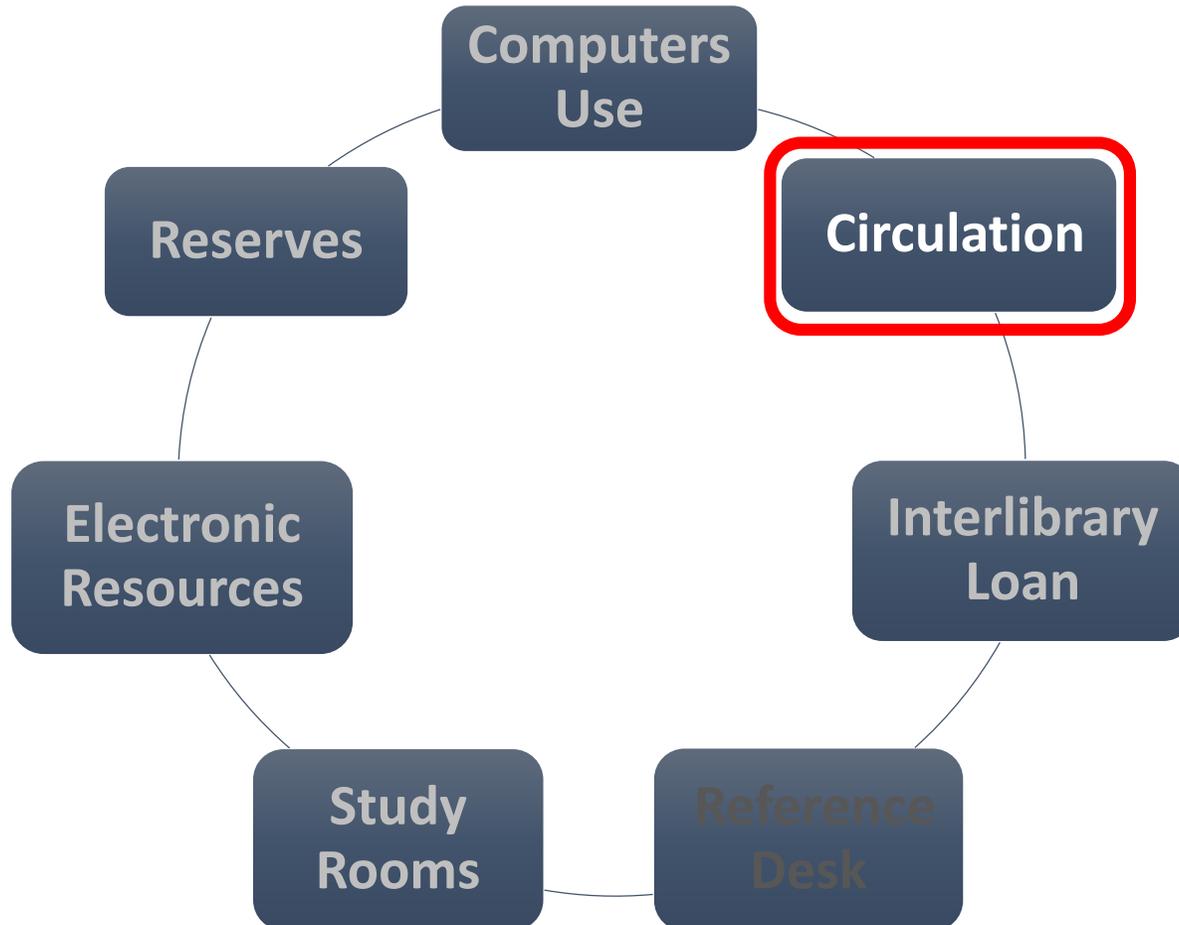

Data: Services for Student Success

Library Computers Used

- Successful Logins
- Computer Hostname
- Grouped by Campus Library
- Provided each Semester
- I.T. gets files from archived logs

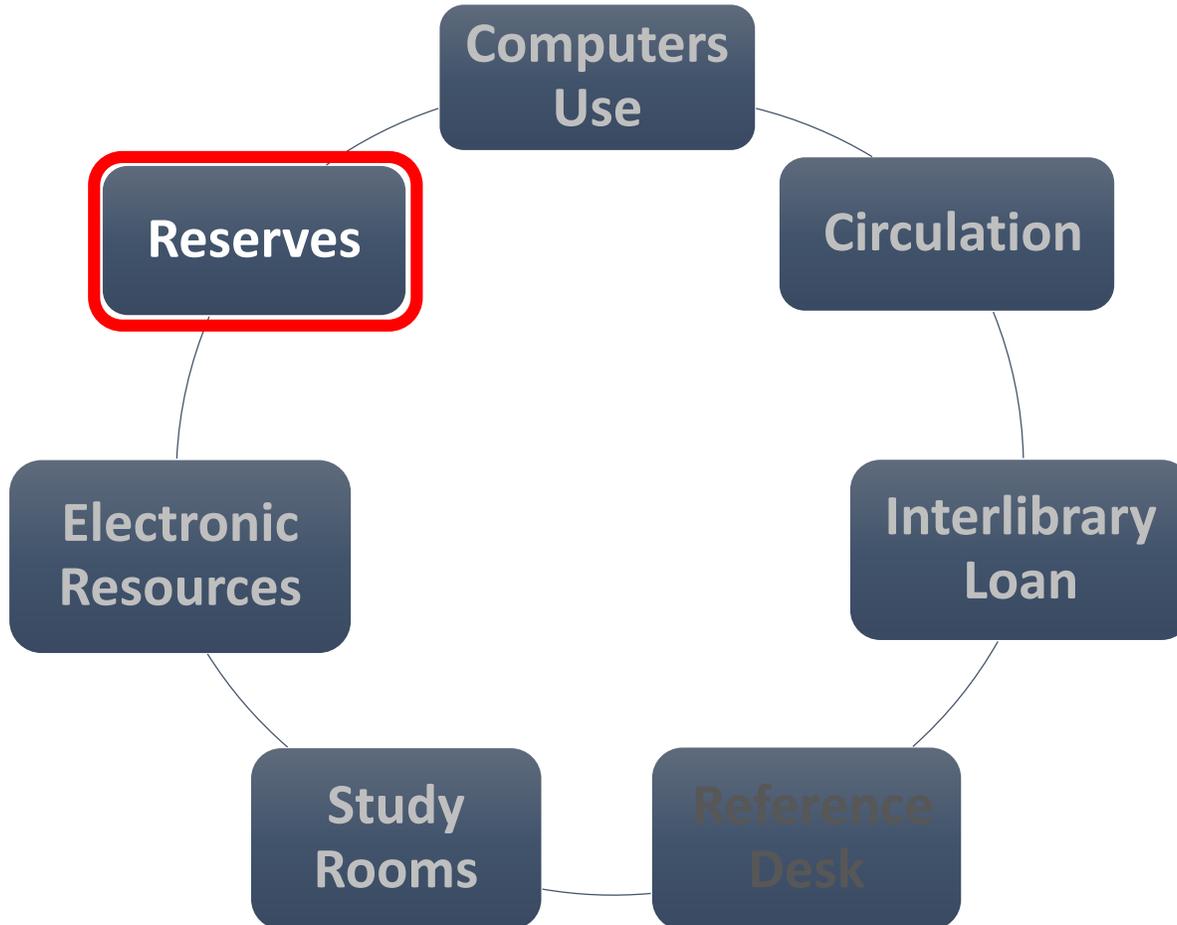

Data: Services for Student Success

Circulating Collections

- Check-outs and Renewals
- Worldshare Mgmt System
- WMS Reports/Analytics
- Provided from WMS database

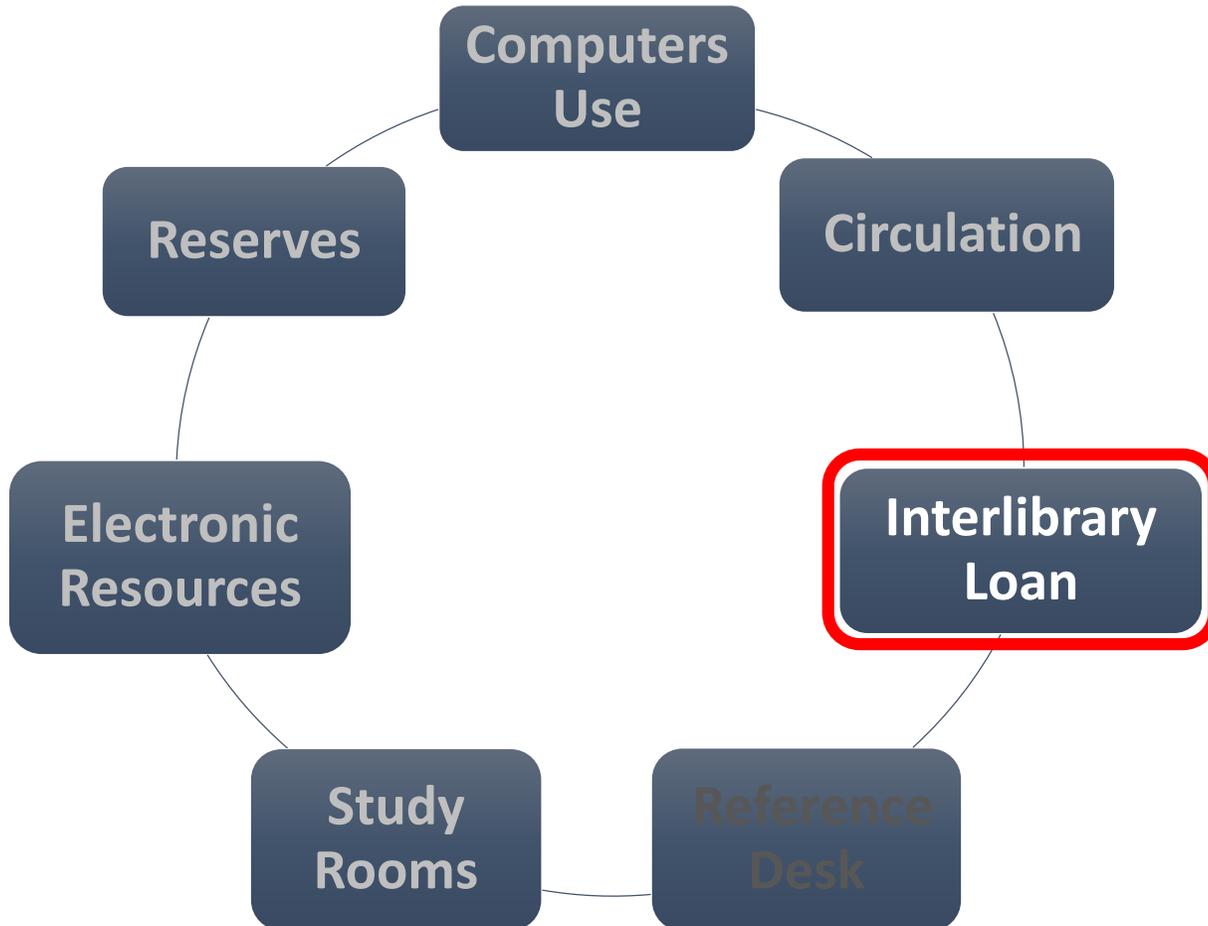

Data: Services for Student Success

Course Reserves Use

- Check-outs and Renewals
- Worldshare Mgmt System
- WMS Reports/Analytics
- Reported by Semester

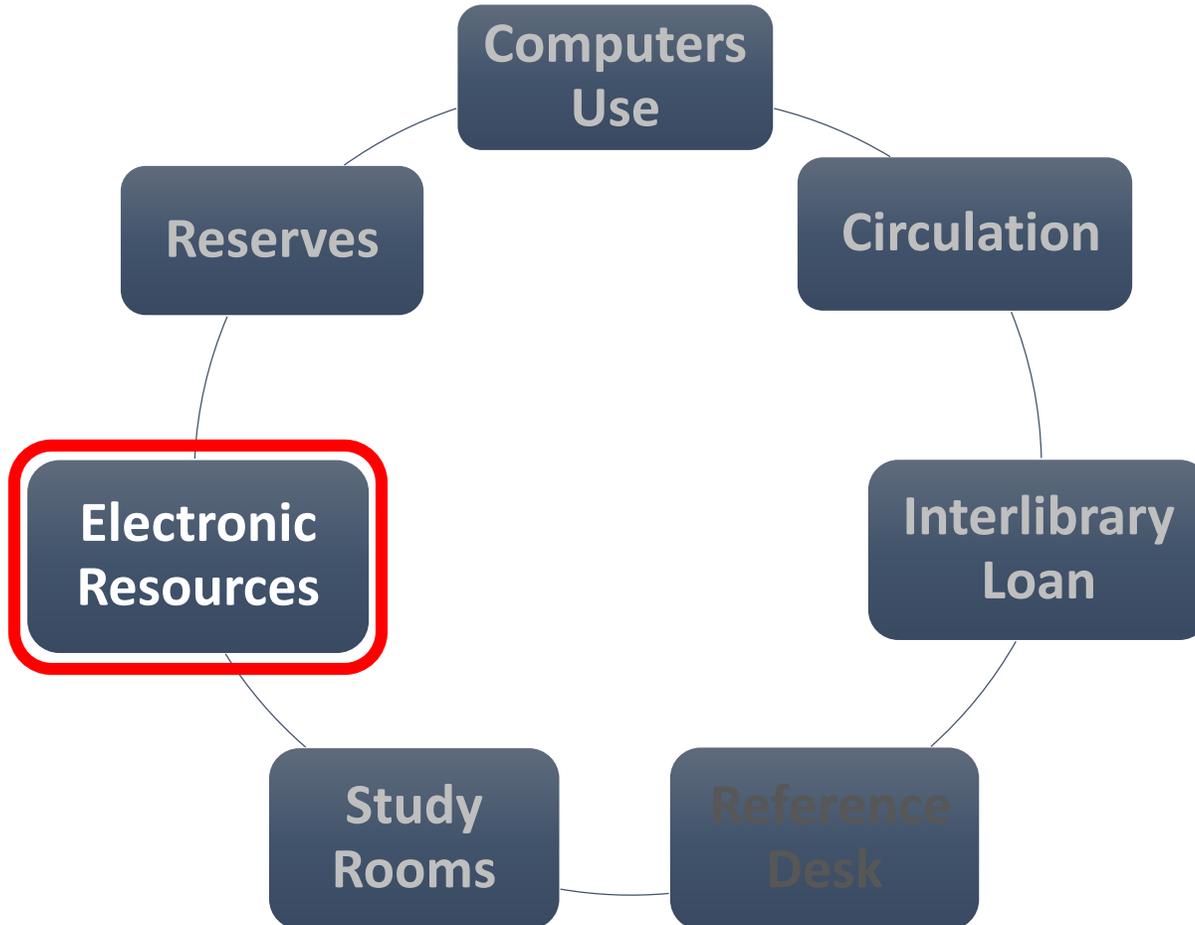

Data: Services for Student Success

InterLibrary Loan *NEW*

- OCLC Tipasa ILL
- Data Export to Excel
- Borrowing: Closed, Supplied
- Enhancement Summer 2018
- Reports last 400 transactions

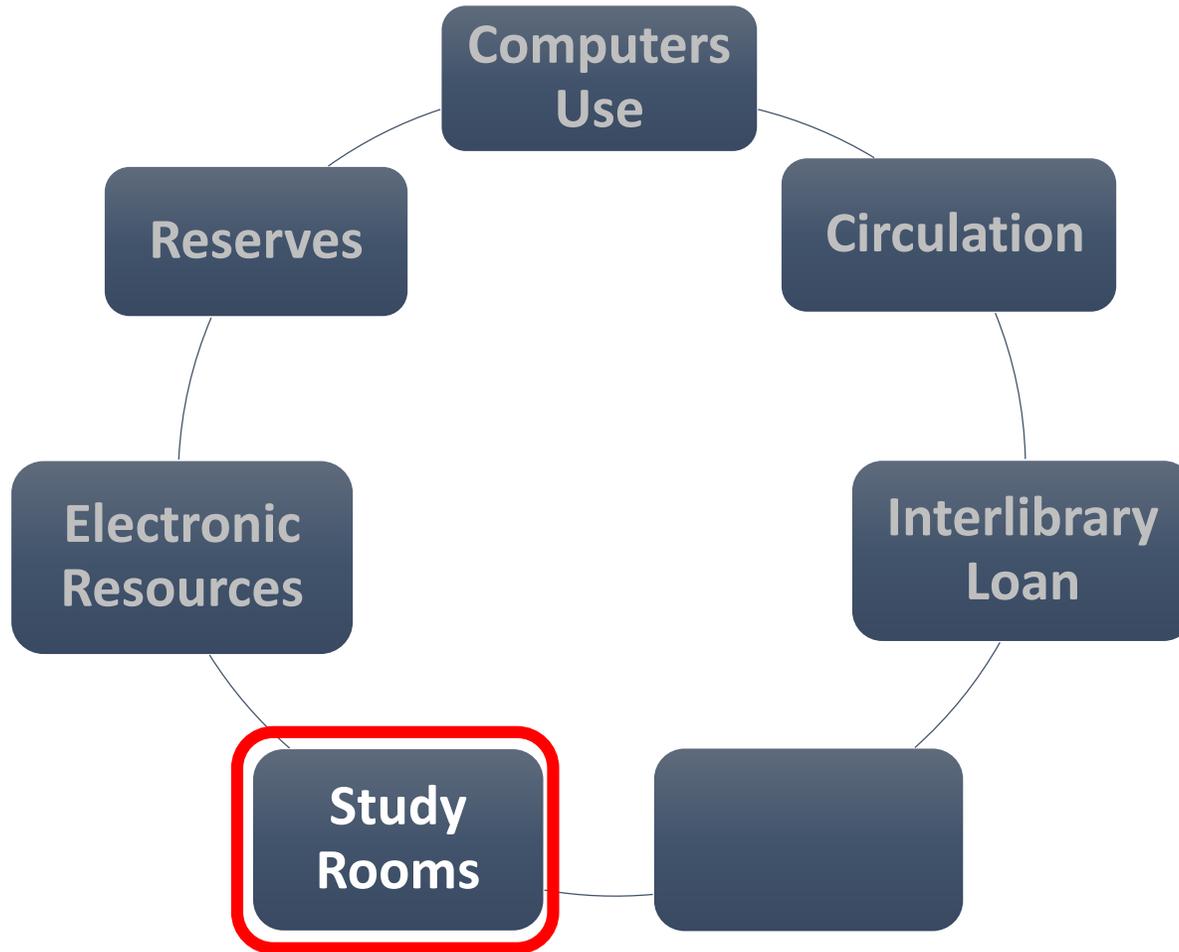

Data: Services for Student Success

Electronic Resources Use

- EZproxy Custom SPU logging
- SPU log rolls-over monthly
- ALL Authentication Required
- Subscription e-Resources
- SPU logs copied, converted

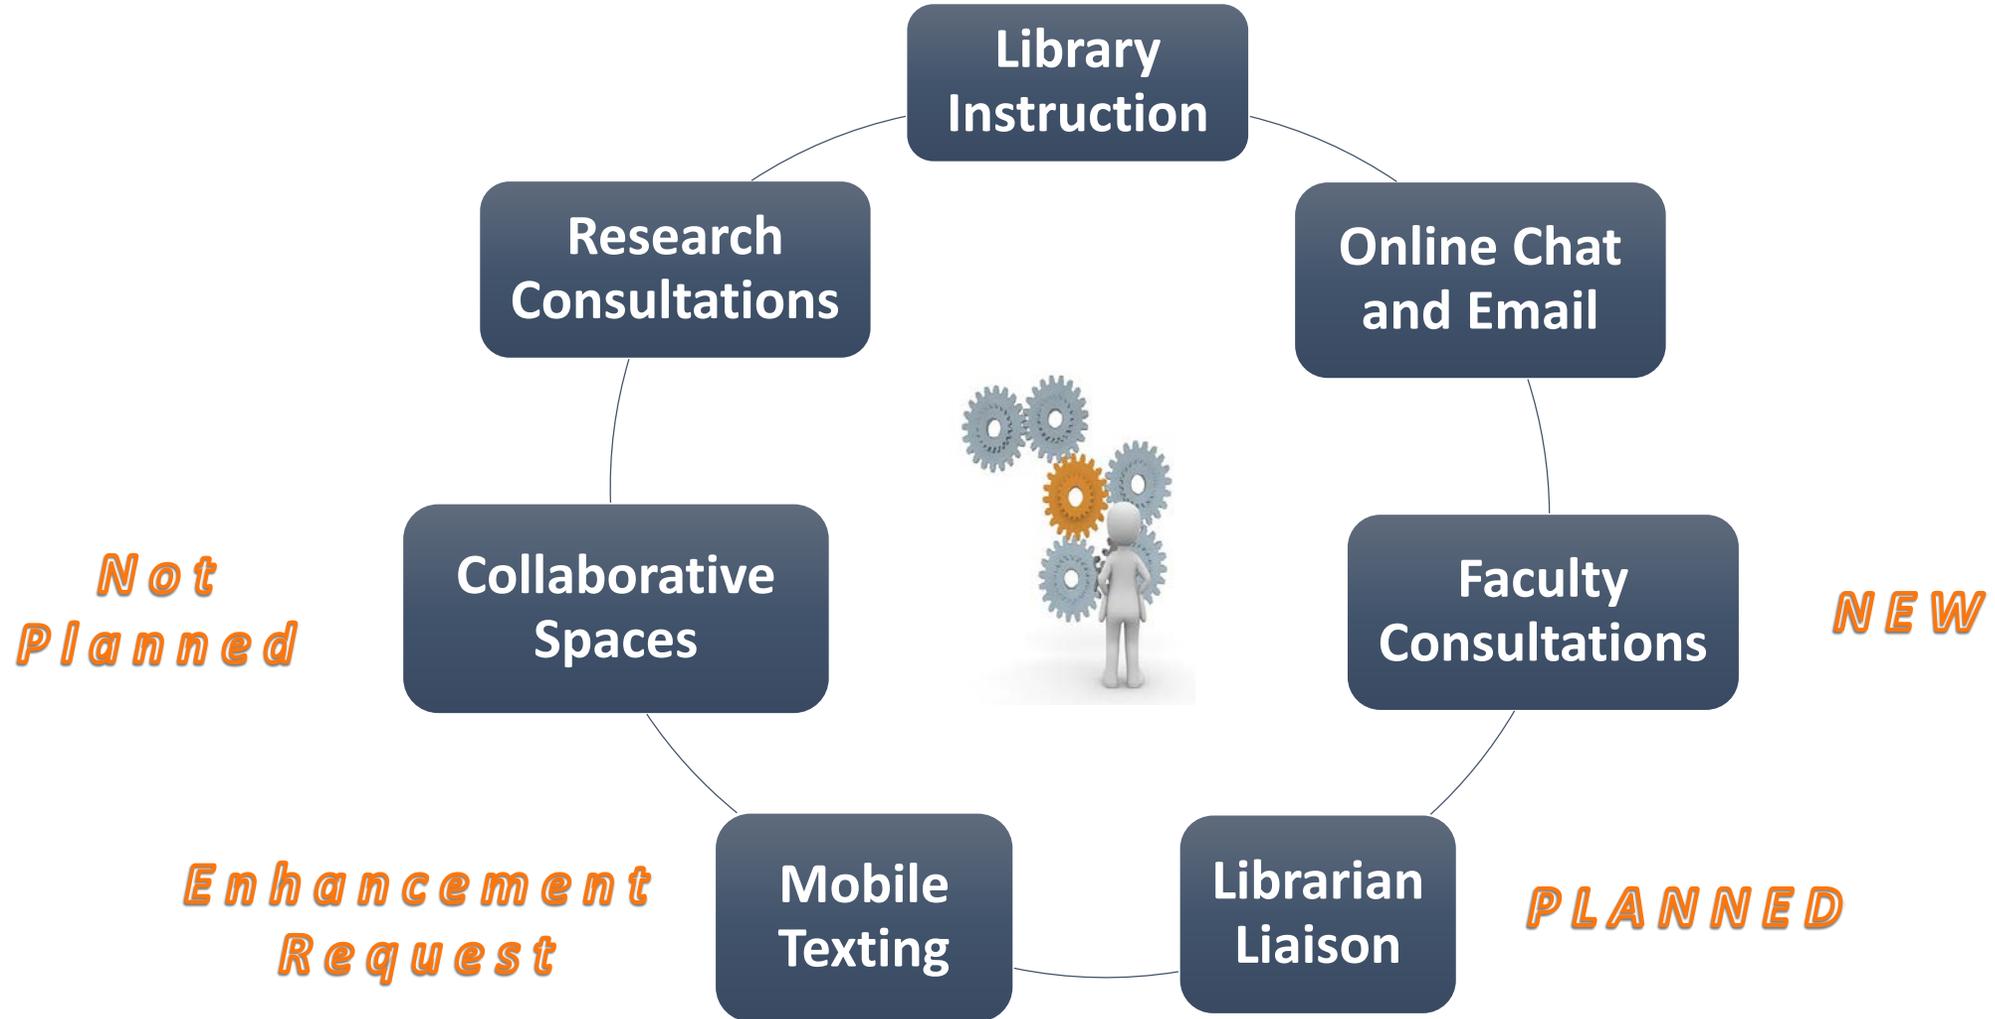

Data: Services for Student Success

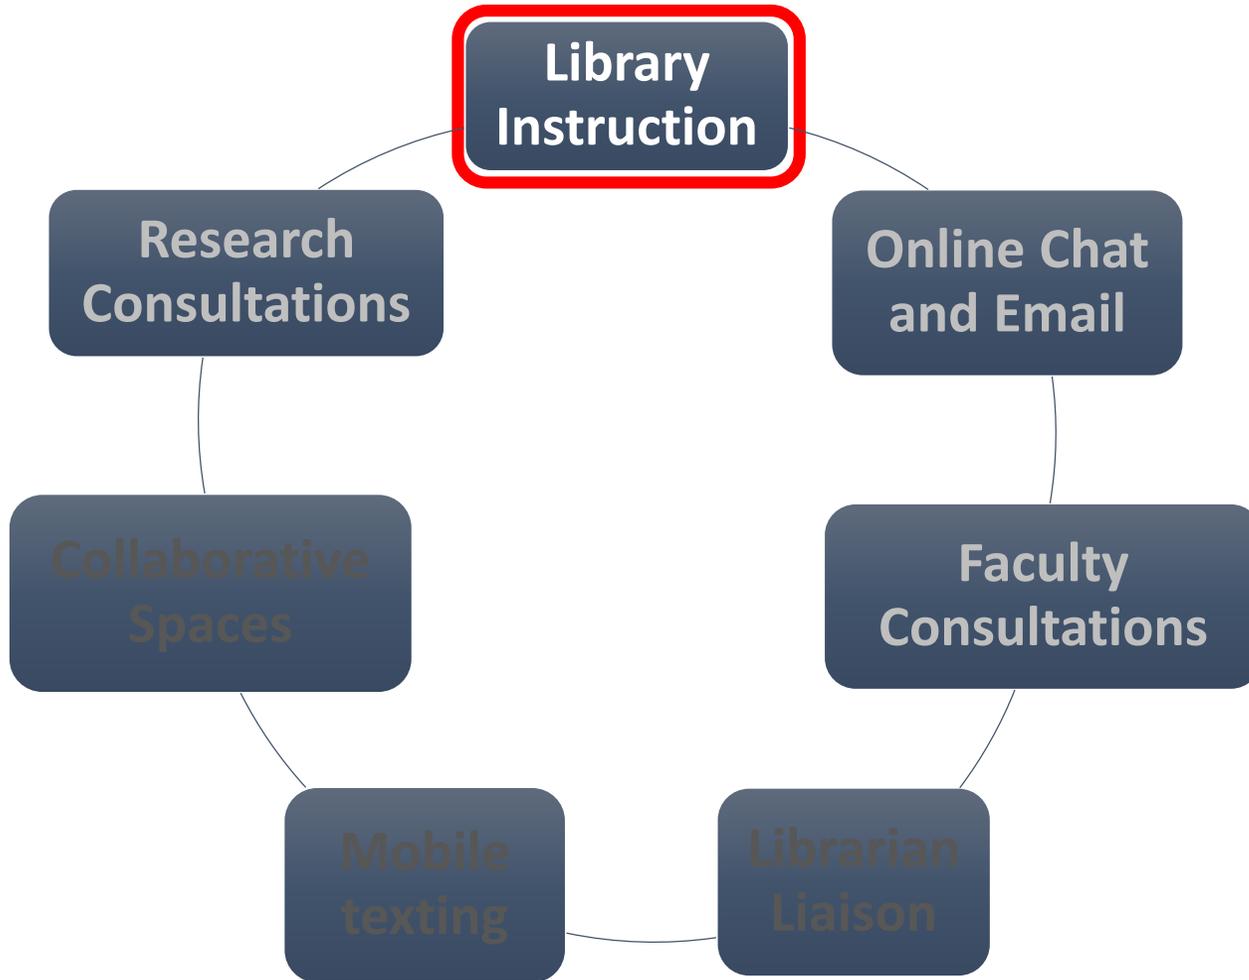

Study Rooms Use

- Think Tanks, Library Classrooms
- All students TCC IDs in a group
- Springshare LibApps
- TCC ID required field added
- LibWizard Survey Report export

Data: Services for Student Success

Data: Services for Student Success

Library Instruction *January, 2018*

- Librarian as the Instructor
- Library Instruction in any classroom
- Faculty, Course Number, Section
- TCC ID in data for Course & Section
- Librarians enter data in LibInsight
- LibInsights database export

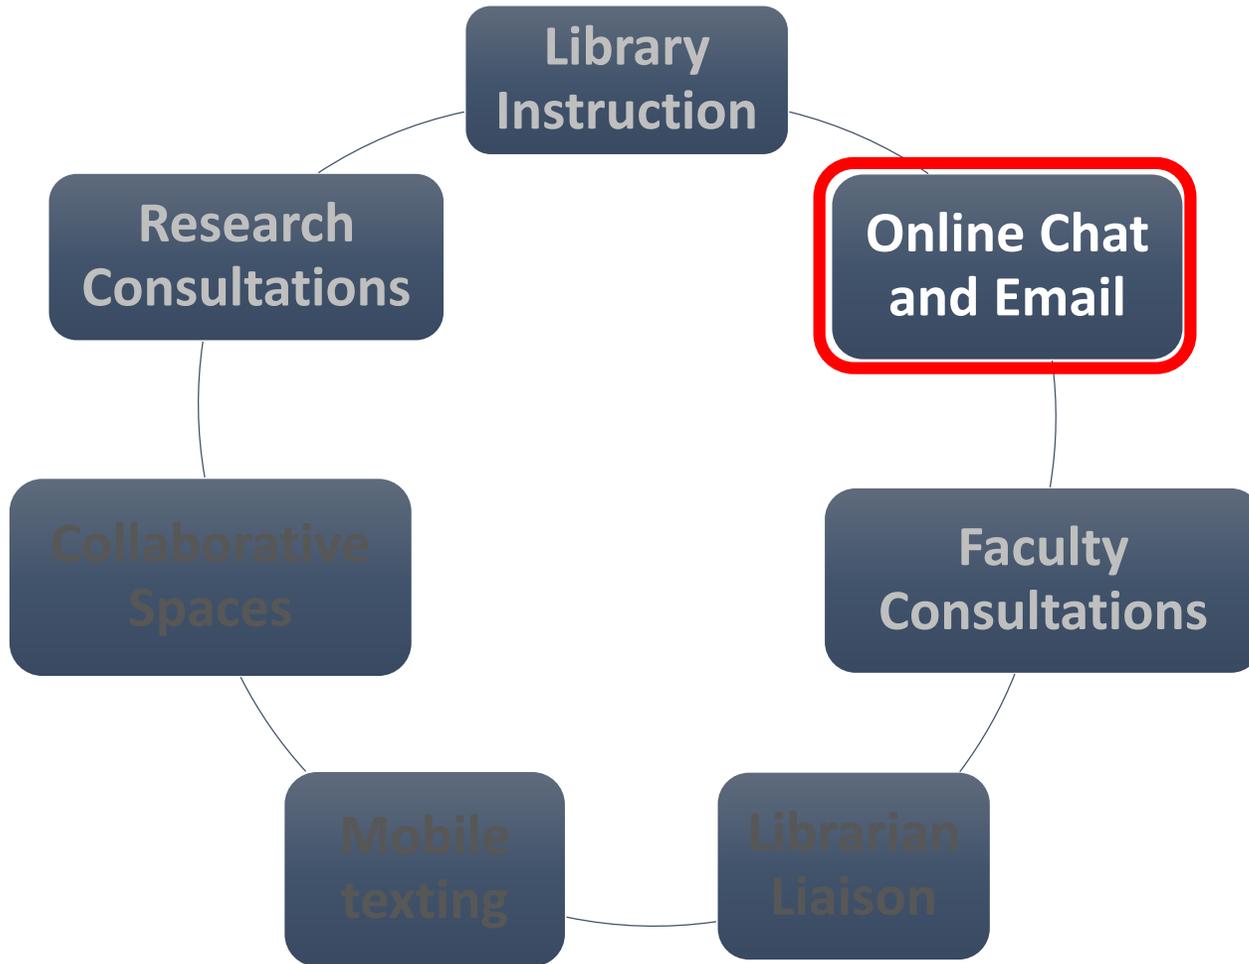

Data: Services for Student Success

Research Consultations *January, 2018*

- Librarian provides direct service
- Appointment or “walk in”
- TCC ID may be entered by Librarian
- Librarians enter data in LibInsight
- LibInsights Database Export

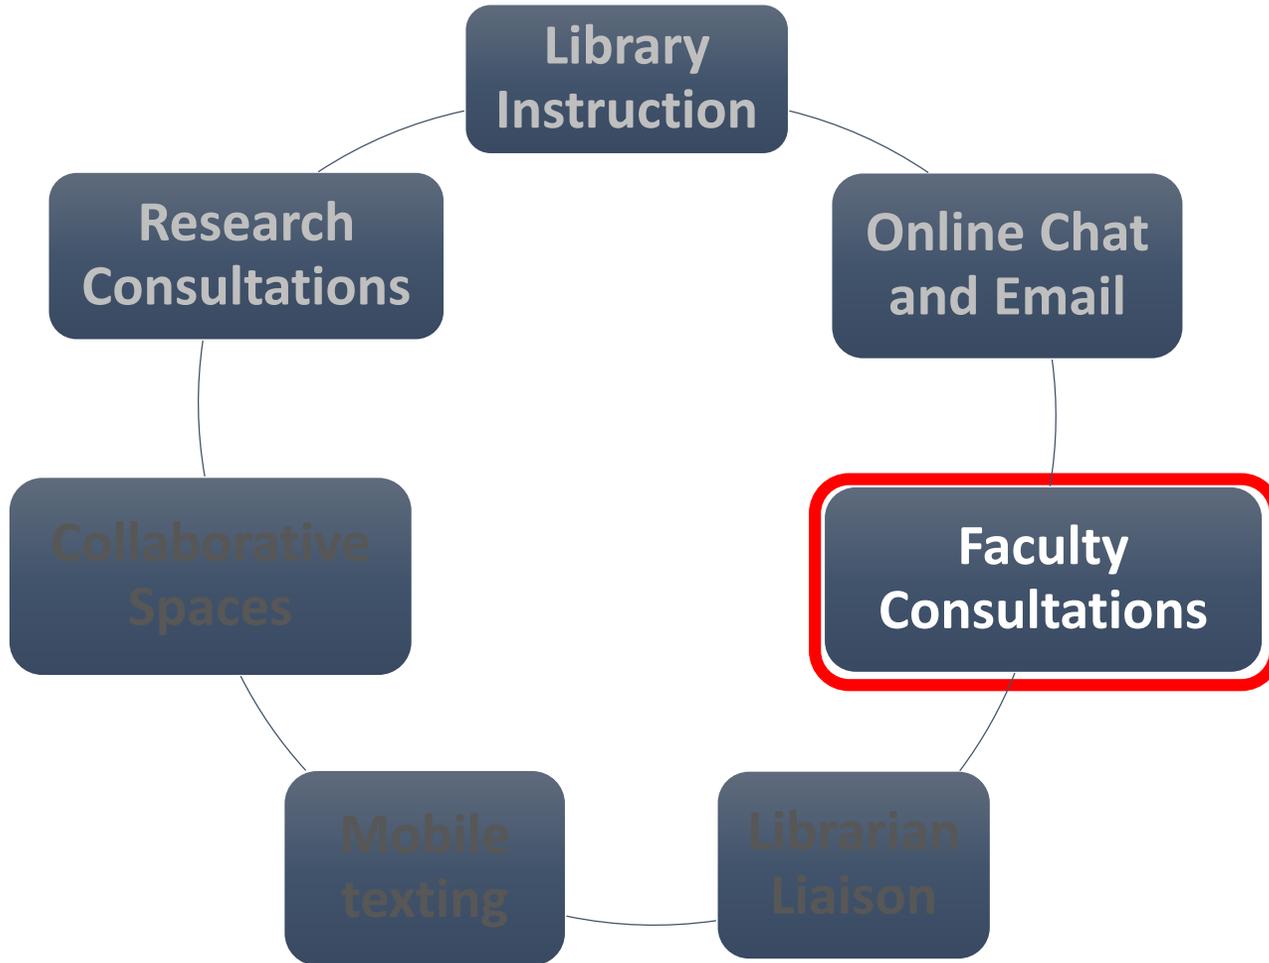

Data: Services for Student Success

Online Chat and Email

- Chat form has TCC ID field
- LibAnswers stats transcripts export
- Email questions, our AskUs Service
- Email form includes the TCC ID
- LibAnswers stats tickets export

Data: Services for Student Success

Faculty Consultations *NEW*

- Librarian as liaison by subject
- Appointment or on the spot
- Data entered by Librarian
- LibWizard Form, Report export
- How does this impact student success?

Data Analysis: Impact on Student Success

TCC standard statistics parameters and definitions

- **Demographics: ethnicity, first generation, socio-economic, etc.**
- **Time divisions: Semester, Time of Day, Academic Year, etc.**
- **Cohort - fall semester entering Freshmen, 3 years duration**
- **Student criteria, definitions: full time, declared major, etc.**
- **Criteria required to measure Student Success**

Data: Universal Primary Elements

- **Specific library service or program**
- **Student ID number (TCC ID)**
- **Date (Year Month Day)**
 - **Hour (00 – 23)**

Data: Important Additional Elements

- Minute (00 – 59) start of activity or point of service
- Related types of service activities or functions
- Originating IP address if using a computer
- Other elements TBD as the study is fine tuned

Data: Collect, Protect, Select, Aggregate

- **Perfect, or Not So Perfect ... How perfect is perfect enough?**
- **Criteria for selecting, preparing data: Limiters, Scope, Redundancy**
- **Normalize and Trim the data**
- **Student library services use levels (no use, low, medium, high)**
- **What don't we know? Assumptions?**

Data: Collect, Protect, Select, Aggregate

Data Analysis: Impact on Student Success

- Regression: linear, multiple, stepwise, ordinal
- Multivariate and multicollinearity testing
- Regression Analysis – establish the correlation
- Factor Analysis – find what is most correlated to outcome variables
- A control group? Maybe not ...

Data: Future Assessment Considerations

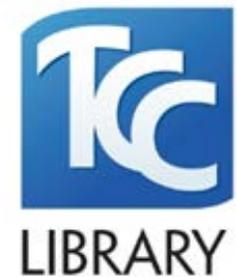

- **Recently Underway: Librarian Liaison Project Team**
- **Recently Underway: Learning Assessment Project**
- **Future: Applying study results**
- **Future: Predictive Studies and Analysis**
- **Applied Assessment: Program Review! *IMPORTANT***
