Oklahoma Chapter - Association of College and Research Libraries

May 4, 2007
OSU-Tulsa

In attendance: David Oberhelman, Jason Cimock, Laura Teske, Tom Thorisch, Kate Corbett, Edwin Wiles, Lauren Donaldson.

Approval of Minutes: The meeting was called to order at 12:45pm. The board read over the minutes from the April meeting and Teske moved to accept; Corbett seconded; motion carried unanimously.

Treasurer's Report: Oberhelman presented the report in the absence of Kiem Ta. He stated that the balance as of today is 4,902.74.

COIL Report: Oberhelman presented the report in the absence of Jason Dupree. He reported that the group is still on target for the July 27th workshop date. On May 25th the next COIL meeting will be held at Oklahoma Baptist University in Shawnee.

A group will get together immediately after the COIL meeting to begin organizing the distance education interest section. Oberhelman stated that he would like to aim for late summer to launch the access services interest section. This led to a discussion regarding the multicultural librarianship interest section. Corbett mentioned that many academic libraries serve the international student population. It was decided that this will also be a topic to explore further as it may be of interest to many librarians throughout the state.

Blog Discussion: Oberhelman began by describing what was discussed last month for those who weren’t able to attend the April meeting. We are in the process of looking at blogging software. He spoke with Adri Edwards-Johnson who suggested http://edublogs.org. This would be a free product with the option to upgrade to premium services for a fee.

Cimock suggested a product called WordPress http://wordpress.com/ that he and Jason Dupree have recently explored. This is a free source but we would need to meet certain system requirements. Cimock demonstrated a basic blog that he had set up using WordPress and he also showed the board the Edublogs website.

Corbett suggested contacting another ACRL chapter to find out what software they are using for their blog. Thorisch expanded on his suggestion from the last meeting to include news and events from Oklahoma academic library directors. He would like to include photos of various academic libraries and invite directors to showcase them on our blog each month. Oberhelman stated that he would like the board to make a final decision on the blogging software at the next meeting.
Conference Plans: Oberhelman described a tentative conference day agenda based on what was discussed at the April meeting. He also mentioned that OLA-UCD is open to the idea of partnering with our group for advertising purposes. He feels that our conference theme will tie in well with several workshops they are currently planning.

The group then began discussing speakers. The following names were suggested:

David Silver, Media Studies professor, University of San Francisco

Teske agreed to contact Meredith Farkass.

Second speaker (Another out-of-state person to speak on a practical “hands-on” level)

Afternoon breakout sessions (3-5 local speakers in computer labs)

**Next Meeting:** The next board meeting is scheduled for June 15th at Langston University. Corbett will send an email announcing a restaurant for lunch and other details.
